ACCOLADES OF THE WEEK

THE VIRGINIA RESIDENT WINNER OF THE WEEK

The first winner to generate a check in the Virginia Certified Residency Program is ironically named "No Rewards". Trainer John Salzman, Jr. sent the two year old filly to Stephanie Nixon's Horseshoe Hill farm in Ashland last July to become certified. Bird Mobberley will be the recipient of the check.

QUOTE OF THE WEEK

"It was a great trip. I was able to save ground on the turn, and when he was ready to make his run, I just tipped him out and he was able to run the filly down. Six furlongs is right up his alley. I think he ran great. A turf course like Woodbine has a very long stretch. I think it suits him even better." - Jockey Florent Geroux to the Daily Racing Form after Long On Value won the G1 Highlander at Woodbine last Saturday, earning him card in the Breeder's Cup Turf Sprint starting gate. Long On Value, bred in Augusta County, is only the 19th Virginia-bred to become a millionaire

SIGN THAT COLONIAL IS CLOSER TO RACING

House Bill 1609, signed by Gov. Ralph Northam became effective Sunday July 1. The Virginia Racing Commission still needs to approve regulations to bring it to life.
